

ETEXT ATTACHMENT**08/25/2005 21 : 33**

The amendment to our 4/1 - 06/30/05 report that was e-filed on 08/25/05, contains the requested information in a filing note. Per my conversation with Samantha Dachik we had to use the filing notes due to a computer program problem. We will file an additional amendment when our program is corrected. Thank you for your cooperation in this matter.
